

**CITY OF LOS ALAMITOS
MEMBER OF THE CITY COUNCIL**

DEAN GROSE

AGE: 61

OCCUPATION: Local Business Owner

As a resident and business owner since 1988, I want to represent You on our City Council. Currently, I chair the Traffic Commission and work with residents to solve the number one complaint in our community - traffic gridlock. We must aggressively work with neighboring cities and the county to promote safe and efficient traffic flow.

Challenges are facing Los Alamitos, including the need for strong new leadership at City Hall, especially with increased financial demands and limited resources. It is my goal to blend our small town charm with the need for increased tax-generating businesses. As a businessman for 25 years, I have the operational and financial skills needed.

I am a board member of the Youth Center; supporter of Los Alamitos Pop Warner Football and the Precious Life Shelter; secretary of the Los Alamitos Rotary Club; and chair the Military Affairs Committee of the Chamber of Commerce.

My wife and soul mate, Wendy, is a nurse practitioner at the Cypress Family Medical Center. We have six children and six grandchildren.

I will continue to work to enhance communication and the active participation of residents to enhance the quality of our family life.

I ask for your vote. www.Grose-For-LosAlamitos.com
